

Conklin Classic Cleaners

Multipurpose Cleaners Save Time and Money

Mox® Multipurpose Cleaner Concentrate your cleaning efforts

Mox replaces multiple cleaners and handles your toughest cleaning jobs, from greasy kitchen appliances to grimy bathroom surfaces. Concentrated biodegradable formula lifts stains without harsh bleaches or solvents. Translucent, adjustable spray bottle has graduated measuring scale for accurate dilution amounts.

Mox®-e Multipurpose Cleaner Environmentally safe, superior grease cutting power

This ready to use, fast-acting multipurpose cleaner has superior grease cutting power for your toughest household jobs, including stovetops, sinks and counters. The “e” in Mox®-e brings you the power of environmentally- safe technology, and the fresh citrus formula is phosphate-free, biodegradable and safe for all septic tanks. Non-flammable and solvent-free, there are no harsh odors or allergens associated with other leading brand cleaners.

Reflections™ Plus Multipurpose Glass Cleaner Anti-fog, streak-free formula

This ammonia-free formula offers you superior cleaning and leaves nothing behind but a wonderful fresh scent. Reflections Plus is powerful enough to cut through dirt and film on windows, mirrors, countertops, stovetops and refrigerators. Its streak-free, anti-fog properties work wonders on bathroom mirrors and your vehicle’s interior windows.

Spring Dew® Multipurpose Liquid Soap Tough on grease – gentle on hands

This biodegradable formula takes the work out of cleaning greasy dishes, but is gentle on your hands. Spring Dew is wonderful as a liquid hand soap and for laundering your fine-washable fabrics, but strong enough to clean vinyl floors, walls and countertops. Choose from Slice of Citrus or Honey Almond scent.

Shine N’ Stay® Acrylic Floor Polish High-gloss acrylic polish protects your floors

Shine N’ Stay creates a non-slip, long-wearing finish that is resistant to scuffing and heel marks. Easy-to-use polish dries hard, for a shiny, protected floor. Non-yellowing formula is safe for no-wax, wood, linoleum, vinyl and stone tile floors.

“Conklin cleaners work well and are very economical – you can use one cleaner for many different jobs, which saves time and money. I no longer have a cabinet full of specialty products, but rely on Conklin cleaners to do a variety of jobs for less money!”
