

CONKLIN®

Don't get stuck rowing your boat

Use Fuel Mate Plus® Gasoline Conditioner!

Start your boat up and keep it "runnin smooth" by adding Conklin's Fuel Mate Plus gasoline conditioner to every tank.

Fuel Mate Plus:

- Stabilizes fuel between uses and through winter storage
- Inhibits fuel varnishing
- Reduces exhaust emissions
- Inhibits fuel system rust and corrosion
- Restores and maintains top fuel system performance in gasoline engines
- Protects from performance-robbing buildup of deposits and debris when used in every tank
- Extends the life of spark plugs, fuel injectors, and fuel pumps

Just one 2 oz bottle treats up to 20 gallons

Fuel Mate Plus Gasoline Conditioner
