**Before Submitting Soil Samples**

Contact Midwest Labs (402-829-9879) to set up an account. Have your IBO number available, this will be your account number. If you are not a Conklin IBO, ask your Conklin representative for an account number. An account number is needed for recommendations to be provided.

**Checklist for Submitting Soil Samples**

- Include IBO number and complete contact information
- Create unique sample number for each sample
- List 2 intended crop and yield goals to receive AgroVantage recommendations
- Indicate previous crop so carry-over nutrient credits can be applied
- Include payment for all samples
- Ship all soil samples, submittal forms and payment in one package
