**Before Submitting Plant Tissue Samples**

In order to access personal plant test information online through the [www.midwestlabs.com](http://www.midwestlabs.com) login website (not Conklin's website), an account number and password is required with Midwest Labs. Call 402-334-7770 to set up an account and begin submitting samples. There is no cost to set up an account.

**Checklist for Submitting Plant Samples**

- Record Midwest ID number and date in the appropriate boxes above
- Record grower name, complete address and phone number
- Place an X in the test box(es) you wish to have tested.
- Create a unique sample ID for each sample
- Identify crop and stage of growth

For FREE plant tissue sample bags, please contact Midwest Labs at 402-334-7770.

Basic Plant Test Package (Complete Conklin Test) lists at \$22 each, without recommendations.

This complete test includes:

Nitrogen, Sulfur, Phosphorus, Potassium, Magnesium, Calcium, Sodium, Iron, Aluminum, Manganese, Copper, Boron and Zinc.

Ship samples together with this sheet, any discount coupons and a check or money order.
