

HOME RUN™

M E T H Y L A T E D S O Y A D J U V A N T

Use Home Run™ with post-emergent pesticides, especially herbicides. It improves a spray application by physically modifying the deposition and wetting characteristics of the spray solution, resulting in a more uniform spray deposit.

- Easily dispersed for trouble-free mixing
- Enhances pesticide performance to maximize weed control
- Increases surface spreading and the penetration of agricultural chemical tank mix solutions onto and into leaves
- Increases pesticide activity under low humidity and high temperature conditions
- Potentially reduces chemical input costs by minimizing application

2.5 Gallons (9.46 L)

Principle Functioning Agents:

A blend of methylated soybean oil and a highly effective emulsifier package producing a 100% active ingredient product.

Directions for use: It is a violation of federal law to use Home Run with a pesticide in a manner inconsistent with pesticide labeling. DO NOT apply Home Run with pesticides in such a manner as to directly or through drift expose workers or other persons. The area being treated with the Home Run/pesticide solution must be vacated by unprotected persons.

Suggested General Rates of Application:

One to two pints per acre or one to five quarts per 100 gallons of solution.

With hard-to-control weeds, or weeds under stress, higher rates may be required.

Read and follow all agricultural chemical label directions carefully before using this product.

WARNING

HARMFUL IF SWALLOWED OR INHALED. CAUSES SERIOUS EYE IRRITATION. PROLONGED CONTACT CAUSES SKIN IRRITATION.

See back panel for additional precautionary statements.

Mixing Instructions:

To minimize the potential for foaming, fill the spray tank two-thirds full of water. Add pesticides and/or fertilizers as directed by the label, or in the following sequence: micronutrients and fertilizers, dry flowables and dispersible granules, flowables, water soluble pesticides and then emulsifiable concentrates. Continue agitation and add Home Run. After the addition of Home Run, reduce agitation and allow to mix for one to two minutes. Continue filling tank while continuing minimal agitation.

Keep from freezing.

STORAGE AND DISPOSAL	
DO NOT contaminate water, food or feed by storage and disposal	
Storage	Store in original container only, separate from fertilizers, pesticides, feeds and food. DO NOT freeze.
Disposal	Waste resulting from the use of this product may be disposed of on-site or at an approved waste disposal facility.
Container Disposal	DO NOT reuse empty containers. Triple rinse (or equivalent), empty container, then offer for recycling or reconditioning; or, puncture and dispose of in a sanitary land fill, or by incineration; or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

Environmental Hazards: DO NOT contaminate lakes, streams or ponds with this product. Keep spillage out of sewer and open bodies of water. Dike and contain spills with inert materials.

Limited Guarantee: Conklin Company Inc. guarantees that this product conforms to the chemical description on the label and is designed and suitable for the specific applications stated on the label. **SINCE MANY FACTORS AFFECT CROP PRODUCTION, CONKLIN COMPANY INC. WILL NOT BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES, INCLUDING LOSS OR PARTIAL LOSS OF A CROP FROM ANY CAUSE WHATSOEVER.** This guarantee is in lieu of the implied warranty of merchantability and all other warranties expressed or implied.

ADDITIONAL PRECAUTIONARY STATEMENTS

PRECAUTIONS: Avoid breathing mist, vapors and spray. Use only outdoors or in a well ventilated area. Do not eat, drink or smoke when using this product. Wear gloves, safety glasses or goggles, and long-sleeved clothing when handling. Wash hands thoroughly after handling.

RESPONSE/FIRST AID: If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice or attention. If swallowed: Immediately call a physician or Poison Control Center. Rinse Mouth. If on skin: Wash with plenty of soap and water. If skin irritation occurs: Get medical advice or attention. Immediately take off all contaminated clothing and wash it before reuse. If inhaled: Remove person to fresh air and keep comfortable for breathing. Immediately call a physician or Poison Control Center.

Proposition 65 statement: This product contains chemicals known to the State of California to cause cancer, birth defects or other reproductive harm. See Safety Data Sheet for more information.
