

Classic Cleaners

Reflections™ Plus

Multipurpose Glass Cleaner

Specification Sheet

This multipurpose, ammonia-free glass cleaner offers superior cleaning power, cutting through dirt and film and leaving behind a fresh scent. Because it is ammonia-free, it is safe for a variety of surfaces. The anti-fog formula works wonders on bathroom mirrors, as well as your vehicle's interior.

Recommended For

Windows, mirrors, glass, display cases, counter tops, refrigerators, stove tops, microwaves, vehicles, and plastic.

Directions for Use

Turn nozzle to spray. For large surfaces, work from top down using a paper towel or lint-free cloth.
