

Family Essential Pack

Daily Essentials for the Whole Family

It's time to focus on your health! Even the healthiest members of your family can be deficient in vitamins, minerals, and antioxidants. We all know good health starts with the digestive system. Eating on the run, combined with a fast-paced lifestyle, can cause havoc on digestive systems. That's why Conklin created its Family Essential Pack, which contains part of Conklin's lineup of proven Essential Nutrition that provides premium fuel for all members of your family. And by placing it on your Auto Order, you can ensure each member of your family receives the supplements needed each month to support overall health for every body, every day.

The Family Essential Pack includes:

- One (1) 60-count bottle of His Defense[®] Next Generation
- One (1) 60-count bottle of Her Defense[®] Next Generation
- Two (2) 60-count bottles of Probiotic Support[™] (improved formula)
- Two (2) 60-count bottles of Enzyme Support[™]
- Two (2) 90-count bottles of LIFETRACK[®] Multi-Vitamin & Mineral Supplement
- Two (2) LIFETRACK Basics[®] Dietary Supplement Boxes

This Family Essential Pack provides immune support for the whole family. Support your family's health AND get a 8% discount on your favorite health products while reaching your commission volume requirements by calling Conklin's Customer Service Department toll-free today and ordering your Family Essential Pack.
