

Laundry Products

Wash® Hypoallergenic Laundry Detergent Specification Sheet

The advanced, environmentally friendly cleaning technology in Wash Hypoallergenic removes stains, even in cold water—saving energy and lowering your heating bills. This ultra-concentrated formula performs in all water temperatures, and in all standard top-loading or high-efficiency waters, with no bleaching agents, perfumes, or dyes. Wash Hypoallergenic comes in 64-ounce containers.

Recommended For

Safe for all washable fabrics.

Directions for Use

Use 1/4 to 1/2 ounce of Wash Hypoallergenic per load. Larger loads and hard water could require 1 ounce. For best results, add Wash Hypoallergenic to water before adding clothes. Use dispense pump #78557 (64 oz.) for dispensing.
