Shipping Guidelines/Freight Program/FAQs

Shipping Guidelines

Current shipping address and phone number are critical for all shipments.

Overview

All UPS orders will ship automatically.

All less-than-truckload (LTL) and full truckload (FTL) orders will be shipped automatically unless the customer requests that the order be shipped at a later date, is part of a consolidated shipment, or the order contains bulk fertilizer.

1. The Conklin Distributor will place an order with a Customer Service Representative. If the order is over 150 pounds, and/or contains hazardous or oversized product, the shipment will ship with a less-than-truckload (LTL) or full truckload (FTL) carrier dependent on weight (please see weight limitations below for further information).
2. Upon order placement the Conklin Distributor will be required to provide the following information: contact name, name of the business if it is a non-residential shipment, valid shipping address, and a valid phone number.
3. The Conklin Distributor will receive a text, e-mail, and/or a phone call from Conklin when an LTL or FTL shipment is leaving the Conklin warehouse with tracking information.

The order recipient must arrange the means to unload product via pallet jack, forklift, and personnel. **Drivers will not assist in unloading the shipment.** It is the Distributor's/receiver's responsibility to ensure the delivery address and physical location is acceptable to the driver (grade, driveway angle, posted vehicle restrictions). If these accommodations cannot be met, the driver has the right to refuse delivery at the Distributor's expense.

If the Conklin Distributor requires special equipment to unload such as a pallet jack or lift-gate they must request this at the time of order entry.

Please Note: Special equipment WILL NOT be provided for full truckload (FTL) shipments.

Weight Limitations/Space Limitations

The maximum weight a less-than-truckload (LTL) carrier can haul is between 17,000 and 19,000 lbs. Any order placed with a weight over 17,000 lbs. will require a rate quote, which will be provided by our Distribution Department.

The maximum weight we can load onto a dry van or heated trailer is 40,000 lbs.

A maximum of 24 standard size pallets (40 x 48) will fit onto a dry van trailer.

- Four (4) 55-gallon drums = One (1) pallet spot
- One (1) tote = One (1) pallet spot
- Mixed product will be combined onto a standard pallet (40 x 48)

The following oversize product less than 125 lbs. or hazmat products will need to ship via a less-than-truckload carrier (LTL):

- Flexion®
- SpunFlex™
- Hazmat Flexion Adhesive
- Hazmat Affinity® (all sizes)
- Single-Ply Slip Sheet
- Boardstock
- Rhino®/Rite-On® (120 lb.)
- Hazmat Kombind® (5 gallon unit)
- OUTPOST®

Any additional order(s) exceeding the weight or space limitations will be shipped at the Distributor's expense.

Bulk Fertilizer Shipments

Please refer to the current Feast® Fertilizer Program for shipping requirements

Special Order Product

Any product labeled with an asterisk (*) in the Conklin Pricer indicates that the product is a special order and may not be available to ship for up to three (3) weeks from the date ordered. Distribution will contact the Conklin Distributor when the special order product is being shipped.

Summer Cold-Pack Items

To minimize heat exposure, the following items are shipped with cold packs, Monday through Wednesday, from April 1 through September 30. **Please note:** Conklin does not guarantee viability of temperature sensitive products for non-expedited shipping.

Affected Products:

- Fastrack® Ruminant Microbial Gel Ultra
- Fastrack® Canine Gel Ultra
- Fastrack® Jump-Start™ Gel Ultra
- Fastrack® Non-Ruminant Gel Ultra
- Fastrack® Equine Gel Ultra
- Feedstore® Live Hay Inoculant
- Feedstore® Generation II Live Silage Inoculant
- Probiotic Support™, also included in: His Essential Pack®, Her Essential Pack®, Essential Nutrition Auto-Order, and LIFETRACK® Digestive Twin-Pack

Shipping Timeline

Conklin works to ship all UPS orders, less-than-truckload (LTL) orders and full truckload (FTL) orders within 72 business hours from the date of release. *Please note the current Roofing Products lead-times with Customer Service.*

Transit Change or Re-routed Shipment

If a truck is re-routed to an alternate destination after shipping from Conklin, **the Distributor will be responsible for any additional charges.** These may include but are not limited to detainment/storage, drop fees, additional mileage charge, redelivery, or re-consignment. **Current shipping address and phone number are critical.**

Conklin Hazmat Items

- Flexion® Adhesive
- Kombind® (5-gallon unit)
- Affinity™ (all sizes)

Additional Services (must be requested during order placement)

- Pallet Jack (Less-than-truckload only, **not available** on full truckloads) Free
- Lift Gate (Less-than-truckload only, **not available** on full truckloads) \$150
- Hazmat (total product hazmat weight over 800 lbs.) \$200

If delivery of a shipment is attempted and requires special equipment for unloading and the equipment is not available at the time of immediate delivery, the **Distributor will be responsible for the re-delivery fee as well as the fee for the required equipment.**

Pallet Jack Purchasing Program

- For your convenience, Distributors can purchase a pallet jack with an order.
- Pallet jack \$425.00 + tax and shipping when applicable.
- Pallet jack features: 5,500 lb. capacity, reinforced frame, individual weight 165 lbs., 48" x 27" forks, 7.6' max raised height, 7" polyurethane steering wheels, and 8" fork wheels.

Distributors can only order at the time of order placement or during spring shipment release.

Freight Program

The Conklin Freight Program applies to all non-bulk packaged products, with the exception of boardstock and Trufast® products. This is a domestic program offering freight transportation to destinations in the **48 U.S. contiguous states**.

Single Order/Less-than-Truckload (LTL) Shipments

Single orders shipping to one destination with an product value of \$35,000 qualify for “free freight.”

Freight charges for a single shipment with a product value less than \$35,000 will be collected at the time the order is placed.

Once a truck has reached a maximum capacity of 40,000 pounds (full truckload), the remaining product will ship at the Conklin Distributor’s expense.

Single order shipments containing “special order” products, or products that are freezable during winter months, will be held until Conklin is able to ship the order complete. Should a Distributor choose to ship special order product/freezable items separate from all other products, the Distributor will be responsible for any additional freight charge(s).

***Order Value** = Price after all applicable discounts, excluding tax and freight

Consolidated Shipments

Consolidated shipments consist of multiple Distributor orders tied together via a Consolidated Truck Owner (CTO) Code. This allows the CTO to ship the multiple orders together to one destination. Please note: the entire consolidated order will be picked as one order. **It is the CTO’s responsibility to separate the load into separate orders and charge the individual Distributors shipping.**

Conklin requires a minimum product value of \$750 for a single order to be added to a Consolidated Shipment. No exceptions.

Freight charges for Consolidated Shipments will be applied based on the weight of the total shipment.

For (LTL) shipments, when the consolidated load ships, the Distribution Department determines shipping charges and provides Customer Service with the charge made to the CTO.

Each **Consolidated Shipment** will deliver to one and only one address.

Consolidated Shipments containing “special order” items, or products that are freezable during winter months, will be held until Conklin is able to ship the **Consolidated Shipment** complete. Should a Distributor choose to ship special order items / freezable items separate from all other products on the **Consolidated Shipment**, the Distributor will be responsible for any additional freight charge(s).

If the **Consolidated Shipment** qualifies for the Consolidated Freight Program under either the \$60,000 or \$30,000 bracket and is over 17,000 pounds a Customer Service Representative will call the CTO with the quoted freight amount.

Consolidated Shipments will not ship until payment for freight charges has been collected.

Consolidate Freight Program Qualifications:

Total Order Value	Freight Charge paid by Distributor	Freight Charge paid by Conklin
\$60,000	25% of total freight charge	75% of total freight charge
\$30,000	75% of total freight charge	25% of total freight charge

COMMERCIAL PURCHASER & RESELLER AGREEMENT

CONKLIN COMPANY, INC., a Minnesota corporation having its corporate offices at 551 Valley Park Drive, Shakopee, MN 55379 ("CONKLIN"), agrees to sell, and [legal name of proposed commercial purchaser's business] _____ ("PURCHASER") having offices at _____

_____ agrees to purchase Conklin products, under the following terms and conditions:

(address, city, state, zip)

Whereas, CONKLIN manufactures and sells several product lines, including crop management products, animal products, roofing systems, coatings and sealants, vehicle maintenance products, lawn and turf products, and consumer products;

Whereas, PURCHASER desires to purchase certain Conklin products for use in its business operations; and/or to sell Conklin products in its retail establishment(s);

Whereas, CONKLIN desires to sell its products to the PURCHASER for use in its business operations; and/or CONKLIN desires to engage the PURCHASER for the purposes of marketing and selling CONKLIN's product line(s) in the United States;

Therefore, in consideration of the following conditions set forth in this Agreement, the parties agree to the following:

1. DEFINITIONS

"Customer" means an end user of a Product.

"Products" means the products in Conklin's then-current Product List. CONKLIN may add to, delete from, or otherwise modify the Products on the Product List at any time. "Territory" means the geographical area as defined by Conklin.

2. PRODUCT TERMS

2.1 ONE COMMERCIAL PURCHASER AGREEMENT PER BUSINESS ADDRESS

This Agreement will be established with a legal business entity only, under that business's Federal Taxpayer Identification Number. Limit of one Commercial Purchaser Agreement per business address and Federal ID Number.

2.2 PRICES

The prices paid by PURCHASER to CONKLIN for products are the then-current Commercial Purchaser prices. CONKLIN shall have the right at any time, to change, alter, or amend product prices UPON NOTICE. Prices are exclusive of all taxes, insurance, shipping and handling charges, which are PURCHASER's sole responsibility.

3. ORDERING AND PAYMENT

3.1 SHIPMENT

Shipment will be F.O.B. CONKLIN, at which time title and risk of loss will pass to PURCHASER. All freight, insurance and other shipping expenses from CONKLIN, as well as any expenses related to PURCHASER's special packing requests, will be borne by PURCHASER unless otherwise agreed to in writing by CONKLIN.

3.2 CREDIT

PURCHASER shall remit payment in full to the Conklin Sales Center with each order unless pre-approved for Conklin's credit program.

4. RESELLER AGREEMENT & OBLIGATIONS

4.1 RESELLER APPOINTMENT

CONKLIN hereby appoints PURCHASER, and PURCHASER accepts such appointment, to act as a non-exclusive Reseller of Conklin Products only to Customers (end users) at the published retail price. PURCHASER acknowledges that the provision in the preceding sentence is critical for CONKLIN to continue providing an opportunity to its Independent Distributors and to otherwise maintain the integrity of their marketing programs, and the sale of products to other Resellers or Resellers' affiliates and discounting below the retail price is strictly prohibited.

PURCHASER understands that this Agreement in no way establishes an employer-employee relationship or agency-representative relationship between CONKLIN and the PURCHASER. As an independent contractor and not an employee of CONKLIN, the PURCHASER is responsible for all self-employment (Social Security), income and other taxes and reports relating to the conduct of PURCHASER'S business.

4.2 MARKET DEVELOPMENT

Purchaser may promote and sell the products within the United States but must adhere to the following restrictions: Purchaser will not distribute to multi-store locations or advertise in mail-order catalogs and dotcom websites. Purchaser agrees to adhere to Conklin pricing guidelines. Purchaser understands that it is not an Independent Distributor of Conklin products, and has no rights in trademarks or tradenames of Conklin in any manner whatsoever unless pre-approved by Conklin. This includes business name, web domain name and e-mail address. Purchaser is not eligible to participate in or receive commissions or other benefits through Conklin's marketing or management plans.

4.3 RESELLER COVENANTS

PURCHASER will: (i) conduct business in a manner that reflects favorably at all times on Products and the good name, goodwill and reputation of CONKLIN; (ii) avoid deceptive, misleading or unethical practices that are or might be detrimental to CONKLIN or CONKLIN Products; (iii) make no false or misleading representations with regard to CONKLIN or CONKLIN Products; (iv) not publish or employ, or cooperate in the publication or employment of, any misleading or deceptive advertising material with regard to CONKLIN or CONKLIN Products; and (v) make no representations, warranties or guarantees to customers or to the trade with respect to the specifications, features or capabilities of CONKLIN Products that are inconsistent with the literature distributed by CONKLIN.

4.4 USE OF TRADEMARKS AND PROPRIETARY NOTICES

During the term of this Agreement, PURCHASER has limited use of the trademarks, trade names, logos and designations used by CONKLIN for CONKLIN Products solely in connection with PURCHASER's advertisement and promotion of CONKLIN Products.

4.5 CONFIDENTIALITY

PURCHASER acknowledges and agrees that all information concerning CONKLIN (hereinafter known as "Confidential Information") is of great value to CONKLIN. PURCHASER agrees not to disclose any Confidential Information to any person except as expressly authorized by CONKLIN in writing and shall not use Confidential Information for any purpose other than the performance of PURCHASER'S functions and duties as a Conklin PURCHASER.

4.6 PURCHASER understands that it is not eligible to sponsor or participate in Conklin's Compensation Plan until it is approved as a Conklin Independent Distributor.

5. All PURCHASERS are subject to the most current Commercial Purchaser Agreement's terms and conditions, irrespective of their original agreement date or the terms and conditions of that agreement.

6. TERM

This Agreement may be terminated by either party upon thirty (30) days written notice to the other party, provided that Conklin may terminate this Agreement immediately upon a breach of this Agreement by PURCHASER. All unfilled orders pending at the time of the date of such notice of termination shall be deemed canceled, and CONKLIN and PURCHASER hereby waive all claims against the other in connection with the cancellation of such orders.

7. WARRANTIES, CLAIMS AND LIMITATIONS OF LIABILITY

The warranty as set forth on the label on each product purchased by the Purchaser is the only warranty provided for the products purchased under this agreement and IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. Defective products shall be returned to CONKLIN. Conklin shall have no liability for incidental or consequential damages.

8. INDEMNITIES

PURCHASER agrees to indemnify and hold harmless CONKLIN against and in respect of any damages, including the aggregate amount of any loss, liability, damage, cost or expense (including reasonable attorney fees) sustained by CONKLIN as a result of any breach or default by PURCHASER of any provision of this Agreement required to be performed by PURCHASER or any act, word or conduct of PURCHASER in the operation of PURCHASER'S business not required by or inconsistent with this Agreement. CONKLIN shall have the right to defend any claim with respect to which it may be entitled hereunder to seek indemnity from PURCHASER. The indemnities, assumptions of liabilities and obligations herein shall continue in full force and effect subsequent to and notwithstanding the termination of this Agreement.

9. GENERAL

9.1 ASSIGNMENT

PURCHASER may not assign, delegate, or transfer this Agreement or any of its rights or duties hereunder, without the written consent of CONKLIN.

9.2 GOVERNING LAW

This Agreement shall be governed by the laws of the State of Minnesota (other than its conflicts of law principles). The parties hereby consent to the exclusive jurisdiction of and venue in the federal and/or state courts located in Hennepin County, Minnesota.

9.3 SEVERABILITY

If for any reason any provision of this Agreement shall be held by a court of competent jurisdiction to be invalid or unenforceable, the remaining provisions of this Agreement shall remain in full force and effect.

9.4 ENTIRE AGREEMENT

This Agreement and the exhibits attached hereto constitute the entire and exclusive agreement between the parties hereto with respect to the subject matter hereof and supersede any prior agreements between the parties with respect to such subject matter.

IN WITNESS WHEREOF, THE PARTIES HAVE CAUSED THIS AGREEMENT TO BE EXECUTED BY THEIR RESPECTIVE AUTHORIZED REPRESENTATIVES AS OF THE EFFECTIVE DATE.

CONKLIN shall have the right to defend any claim with respect to which it may be entitled hereunder to seek indemnity from PURCHASER.
