FASTRACK[®]

CONKLIN ANNOUNCES NEW **FASTRACK**[®] GEL!

Canine Gel Ultra

Fastrack's New Canine Gel Ultra continues to provide a great way to supply direct-fed microbials to newborns and animals off feed due to illness or stress.

This new Ultra formula still supports the digestive and immune system from day one, but now contains:

- Updated specialized proteins specifically for dogs
- Added bacterial strain *Bacillus Subtilis*, which will support the GI tract of dogs, especially in:
 - puppies, following birth, at weaning, or going to their new home
 - any age dog after an illness, when traveling, or during breeding season
- Additional prebiotic

For questions about Fastrack's New Canine Gel Ultra, contact Conklin Animal Products Specialist Dr. Ashley Bruce at ashley.bruce@conklin.com.
