**CONKLIN ANNOUNCES
NEW FASTRACK[®] GEL!**

Equine Gel Ultra

Fastrack's New Equine Gel Ultra continues to provide a great way to supply direct-fed microbials to foals and older horses off feed due to illness or stress.

This new ultra formula still supports the digestive and immune system from day one, but now contains:

- Updated specialized proteins specifically for foals
- Added bacterial strain *Bacillus subtilis*, which will support the GI tract in horses following:
 - birth, weaning, transporting, illness, or during breeding season
- Additional prebiotic

For questions about Fastrack's New Equine Gel Ultra, contact Conklin Animal Products Specialist Dr. Ashley Bruce at ashley.bruce@conklin.com.
