

CONKLIN® FASTRACK® Non-Ruminant Microbial Gel Ultra

Fastrack Non-Ruminant Microbial Gel Ultra contains a source of live (viable), naturally occurring microorganisms, live yeast, dried chicory root, vitamins, and enzymes for pigs and other non-ruminant animals. Use in combination with the other Fastrack products for best program results.

SUGGESTED USE: Place gel between the lower teeth and cheek at the following rates:

Newborn Pigs: 1 mL at birth

Nursery Pigs: 2 mL at weaning

Cats and Small Dogs: ½ - 1 mL

Large Dogs: 1 - 2 mL

Horses: 5 - 10 mL

MINIMUM GUARANTEED ANALYSIS

Per 1 mL

50 million colony-forming units (CFUs) of lactic acid-producing bacteria (*Enterococcus faecium* and *Lactobacillus acidophilus*); 400 million CFUs *Bacillus subtilis*; 20 million CFUs yeast cells (*Saccharomyces cerevisiae*); 3,300 international units (IU) vitamin A; 900 IU vitamin D3; 5.5 IU vitamin E; 35 mg niacin; 12 mg d-pantothenic acid; 3.25 mg riboflavin; 1.1 mg thiamine; and 15 mcg vitamin B12. Protease from *Bacillus subtilis* not less than 6,333 protein catalytic units (one protein catalytic unit (PC) is the quantity of enzyme that produces the equivalent of 1.5 µg/mL of L-tyrosine per minute under the conditions of the assay), amylase from *Bacillus subtilis* not less than 3,800 bacterial amylase units (one bacterial amylase unit (BAU) is defined as that quantity of enzyme that will dextrinize starch at the rate of 1 mg/min at 30°C), and amylase from *Aspergillus oryzae* not less than 1.27 Sandstedt-Kneen-Blish (SKB) units (one SKB unit is the amount of enzyme which will liberate 1 mg of reducing sugar as maltose in 30 minutes at 40°C)..

INGREDIENTS: Vegetable oil, hydrolyzed yeast, niacin, dried *Aspergillus oryzae* fermentation extract, dried *Bacillus subtilis* fermentation extract, lecithin, calcium pantothenate, dl-alpha tocopheryl acetate (source of vitamin E activity), riboflavin supplement, vitamin A acetate, silicon dioxide, active dry yeast (*Saccharomyces cerevisiae*), D-activated animal sterol (source of vitamin D3), dried *Enterococcus faecium* fermentation product, dried *Bacillus subtilis* fermentation product, vitamin B12 supplement, thiamine mononitrate, dried chicory root, and dried *Lactobacillus acidophilus* fermentation product.

Perishable product: Keep cool. For extended shelf life, store in refrigerator.
