

CONKLIN® FASTRACK®

NUTRILIFT®

This dispersible powder was created for young animals to help boost their immune system with specialized proteins and establish a healthy gut microbiome.

Fastrack NutriLift Supports

- Appetite
- Growth and Development
- Immunity
- Nutrient Absorption
- Balance pH

“Because digestive health is vital for animal performance, this program can help us excel in how well our animals are kept and how profitable our farms are. Thank you for providing something we can depend on.”

- Alvin Z., PA

Fastrack® NutriLift®

Mix into bottles along with milk replacer or colostrum daily for the first 5 days. Follow up with Fastrack Liquid Dispersible until weaning.

Cycle Liquid Dispersible through water medicators for 2-4 hours, daily for 5 days. Follow up with Fastrack Liquid Dispersible until weaning.

	Maintenance	Challenge
Calves	2 g. per calf per day	4 g. per calf per day
Lambs and Kid Goats	1 g. per lamb or kid per day	2 g. per lamb or kid per day
Nursery Pigs	5 oz. per 200 head per day	10 oz. per 200 head per day

Maintenance dosing is for times when the animal is not under stress but could benefit from maintaining a healthy microbiome.

Challenge dosing is for not routine situations that can occur causing the animal to undergo stress.

Minimum Guaranteed Analysis per 1 mL

1 billion colony-forming units (CFU) of total lactic acid-producing bacteria (*Enterococcus faecium* and *Lactobacillus acidophilus*); 200 million live yeast cells (*Saccharomyces cerevisiae*); protease from *Bacillus subtilis* not less than 2,500 Protein Catalytic Units; and amylase from *Bacillus subtilis* and *Aspergillus oryzae* not less than 1,500 Bacterial Amylase Units; vitamin A, 6,000 IU; vitamin D₃, 1,250 IU; vitamin E, 50 IU; d-pantothenic acid, 7.5 mg; niacin, 3 mg; riboflavin, 2.5 mg; thiamine, 1.25 mg; and vitamin B₁₂, 35 mcg.

Ingredients

Dried egg yolk, dried chicory root, lactose, vitamin E supplement, whey, vitamin A supplement, dried *Lactobacillus acidophilus* fermentation product, dried *Aspergillus oryzae* fermentation extract, D-calcium pantothenate, dried *Bacillus subtilis* fermentation extract, dried *Enterococcus faecium* fermentation product, vitamin B₁₂ supplement, niacin, vitamin D₃ supplement, riboflavin, active dry yeast (*Saccharomyces cerevisiae*), thiamine mononitrate.

Keep cool. For extended shelf life, store in a refrigerator.
