"Because digestive health is vital for animal performance, this program can help us excel in how well our animals are kept. Thank you for providing something we can depend on."

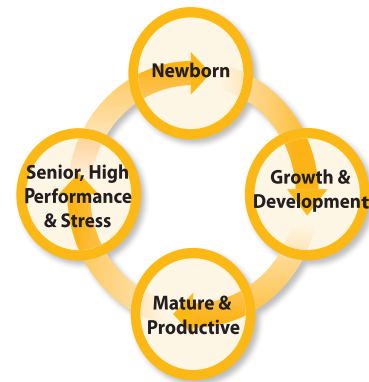

- ALVIN Z., PA

Fastrack® NutriLift®

Mix into bottles along with milk replacer or colostrum daily for the first 5 days. Follow up with Fastrack Liquid Dispersible until weaning.

Cycle NutriLift through water medicators for 2-4 hours, daily for 5 days. Follow up with Fastrack Liquid Dispersible until weaning or end of production.

NutriLift™		
	Maintenance	Challenge
Ruminants		
Calves	2 g. per calf per day	4 g. per calf per day
Lambs and Kid Goats	1 g. per lamb or kid per day	2 g. per lamb or kid per day
Swine		
Nursery Pigs	5 oz. per 200 head per day	10 oz. per 200 head per day
Poultry		
Broilers	1.5 oz	3 oz
per 20,000 chicks daily for 2 weeks after placement		
Turkeys	2.5 oz	4 oz
per 10,000 birds daily for 3 weeks after placement		

Maintenance dosing is for times when the animal is not under strain but could benefit from maintaining a healthy microbiome. Challenge dosing is for irregular situations that can occur, suppressing the microbiome function.

Minimum Guaranteed Analysis: Per 1 g

Total Microorganisms: 1.2 billion colony-forming units (CFU); Total lactic acid-producing bacteria: 1 billion CFU (*Enterococcus faecium* and *Lactobacillus acidophilus*); 200 million CFU yeast (*Saccharomyces cerevisiae*); protease (*Bacillus subtilis*) 2,500 protein catalytic (PC)¹ units; amylase (*Bacillus subtilis* *Aspergillus oryzae*) 1,500 bacterial amylase units (BAU)²; vitamin A, 6,000 IU; vitamin D3, 1,250 IU; vitamin E, 50 IU; d-pantothenic acid, 7.5 mg; niacin, 3 mg; riboflavin, 2.5 mg; thiamine, 1.25 mg; and vitamin B12, 35 mcg.

Ingredients

Dried egg yolk, dried chicory root, lactose, vitamin E supplement, whey, vitamin A supplement, dried *Lactobacillus acidophilus* fermentation product, dried *Aspergillus oryzae* fermentation extract, D-calcium pantothenate, dried *Bacillus subtilis* fermentation extract, dried *Enterococcus faecium* fermentation product, vitamin B₁₂ supplement, niacin, vitamin D₃ supplement, riboflavin, active dry yeast (*Saccharomyces cerevisiae*), thiamine mononitrate.
