"I give Fastrack Canine Microbial Supplement to all of my dogs. I see healthier weight, hair, and teeth among other things."

-Taylor D., CO

Fastrack® Canine Microbial Supplement

Sprinkle onto your dog's food daily. For additional support for your dog, provide Fastrack Adult Dog Supplement or Fastrack Senior Dog Supplement.

Maintenance Challenge

Puppies and Dogs under 20 lbs.	3 g.	5 g.
Puppies and Dogs 20-50 lbs.	3 g.	5 g.
Puppies and Dogs over 50 lbs.	4 g.	6 g.

Maintenance Dosing is for times when the animal is not under stress but could benefit from maintaining a healthy microbiome.

Challenge Dosing is for not routine situations that can occur causing the animal to undergo stress.

Minimum Guaranteed Analysis Per 1 gram

400 million colony-forming units (Enterococcus faecium and Lactobacillus acidophilus); 400 million total live yeast cells (Saccharomyces cerevisiae); and protease from Bacillus subtilis not less than 1,874 proteolytic casein units and amylase not less than 1,125 bacterial amylase units.

Ingredients

Dried chicory root, lactose, whey, active dry yeast (Saccharomyces cerevisiae), dried Enterococcus faecium fermentation product, dried Lactobacillus acidophilus fermentation product, dried Aspergillus oryzae and dried Bacillus subtilis.

Keep stored in a cool, dry location out of direct sunlight.
