Knock-Out™

Anti-Foam Agent/Defoamer For Agricultural Use

DESCRIPTION

Knock-Out is a concentrated, water dilutable anti-foaming and defoaming agent useful for controlling both entrained and surface foam in agricultural sprays. It performs well with all agricultural chemicals, and is highly recommended for use with glyphosate herbicides. Knock-Out is especially effective in recirculating sprayers or other high agitation equipment.

PERFORMANCE CHARACTERISTICS

- Helps eliminate foaming in spray tanks
- Ideal for use with Roundup Ultra®
- For use with all high-foaming herbicides and other pesticides
- Well suited to recirculating and high agitation spray equipment

PRODUCT CHARACTERISTICS

- Highly concentrated and water dilutable
- Convenient, easy to use liquid formulation
- Improves effectiveness of agricultural chemicals
- Stable – long term shelf life
- Effective at low application rates
- Safe to handle and use
- Compatible with agricultural chemicals

DIRECTIONS FOR USE

Prior to the addition of Knock-Out to a spray tank premix, SHAKE WELL. Add to the spray tank as soon as possible during the filling process.

- To control foam in a chemical mix **before** it foams, use one (1) ounce of Knock-Out per 100 gallons of solution.
- If foam is **present**, up to two (2) ounces of Knock-Out per 100 gallons of solution may be required.
- With **backpack** and **hand-held** sprayers, use 0.3 to 0.6 milliliters (cc) of Knock-Out per gallon of solution.

NOTE: Knock-Out rates may vary with tank size, type of agitation, chemical used and type of water.

SPECIFICATIONS

Part number

039487	Single quart
039495	4-quart case

Guaranteed analysis:

Polydimethylsiloxane	10%
Inert ingredients	90%

Appearance

Milky-white liquid

Odor

Mild, pleasant

pH

3-4

Specific gravity

1.0

Weight/U.S. gallon

8.33 pounds

Freezing point

Approximately 32°F

Packaging

1-quart plastic container; 4-quart case – 1-quart plastic container (4 per case)

Storage/handling

Avoid freezing. When stored between 68°F (20°C) and 104°F (40°C), this product has a 3 year shelf life from date of manufacture.
